Equality & Diversity

Capel Manor College is committed to equal opportunities irrespective of:

- Age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, gender and sexual orientation.
- Religion, beliefs or political beliefs, unless in the exercising of those beliefs an individual offends the letter and spirit of the policy.

The College has formulated its own Single Equalities Scheme to combat discriminatory attitudes and practices whether these are expressed by individuals or through institutional practices. The College is committed to positive action to make this policy effective and to monitor its progress.
