

We are London's
environmental
college

Capel Manor
College

Campuses

Five campuses across the capital
Watch our [overview video](#)

Enfield

Gunnersbury Park

Regent's Park

Crystal Palace Park

Mottingham

Facilities

Across our campuses, we have two zoos, a farm, a dog grooming salon, laboratories, over 30-acres of gardens, and over 200 acres of working access to land across the capital.

Visit our website to [explore our campuses](https://www.capel.ac.uk).

Our natural world

Our natural world is facing challenges, e.g.:

- Climate change
- Issues around sustainability
- Food security

What can you do about it at Capel Manor College?

- Play a role in the capital's green agenda
- Gain green skills
- Help preserve and protect our wildlife, parks and green spaces in London and across the world
- Click [here](#) to register for an upcoming Open Event
