

Statement of Governance

Reviewed: 10 December 2025

INTRODUCTION

The manner in which the College is governed is a matter of great importance, affecting the quality of the services it provides, public confidence in its activities, its financial security and the legality of its business. The Governing Body will conduct its business in accordance with English and relevant European law and within the Instrument and Articles of Government as amended on 1st January 2008 under the order and direction of the Secretary of State in accordance with the Further and Higher Education Act 1992. It will also observe regulations and issued by the Learning and Skills Council and will act within the principles laid down by the Committee on Standards in Public Life (Nolan Committee) for those holding public office, namely:

- Selflessness
- Integrity
- Objectivity
- Accountability
- Openness
- Honesty and
- Leadership

Governors recognise the importance of clarity in identifying their role and responsibilities and in differentiating those from the roles and responsibilities of college management whilst, at the same time, recognising the key interactions between the two.

OPERATION OF THE GOVERNING BODY

The efficient, effective and legal operation of the Governing Body and its committees in accordance with the Instrument and Articles of Government. Governors will observe a system of working in an honest, transparent and understandable way by ensuring:

- All members observe a Code of Conduct and participate in a Register of Interests.
- The Governing Body has a policy on Access to College Information

The Governing Body has agreed Standing Orders and Terms of Reference for its sub committees:

- Audit
- Academic
- Finance and Resources
- Estates
- Search, Governance and Remuneration

The Governing Body and its sub-committees will normally meet a minimum of three times a year.

- The Governing Body has a procedure on Whistleblowing.
- The Director of Governance is accountable directly to the Full Governing Body and, in performing the duties of Director of Governance, will be independent of the Chair and the Principal.
- The minutes of the sub-committees will be presented to the Governing Body by the Chair of the Committee to draw the attention of Members to any items which are recommended for approval to the Governing Body and any issues which the Committee failed to resolve.
- An online library is produced containing information which will enable Governors to better understand the operation of the College.
- An on-going programme of training is agreed aimed at keeping Governors up-to-date.
- All newly appointed Governors will be required to participate in an induction process.
- Governors will set and monitor performance indicators for governance.

BUSINESS

Governors will observe the following mandates:

- The legal mandate e.g. ensuring the College's solvency.
- The Government mandate e.g. improving recruitment, retention and achievement etc.
- The internal mandates determined by Governors within the Development Plan and Strategic Plan.

OBTAINING INFORMATION

Governors will obtain information on current issues affecting the College by:

- Receiving relevant papers from management.
- Getting involved in the life of the College by attending events such as prize giving.
- Treating quality as a matter for the full Governing Body.
